## SUBCONTRACTOR REQUIREMENTS

Subcontractors working on the job sites of any member of The Builders Group are required to furnish "Certificates of Insurance" for workers' compensation insurance coverage to the member. Our members must keep current certificates of insurance on file for all subcontractors.

Premium charges will be incurred for all uninsured subcontractors. Payments to uninsured subcontractors and their employees must be reported and premium paid on the monthly payroll and billing statements submitted to The Builders Group.

## Workers' compensation Premium is charged on uninsured subcontractors as follows:

- $100 \%$ of all bills which do not show a breakdown of labor and materials
- $50 \%$ of labor on bills showing a breakdown of labor and materials and $90 \%$ on bills showing labor only
- $10 \%$ of all casual labor

An uninsured subcontractor is any contractor who does not provide a member with a valid and current "Certificate of Insurance" showing that the subcontractor has workers' insurance coverage.

It is strongly recommended that you don't use uninsured subcontractors. Uninsured subcontractors represent extensive liabilities from which your workers' compensation may not protect you. The liabilities outweigh any savings you may receive by using uninsured subcontractors.

Current Minnesota law requires all employers in the construction industry that are required to be licensed by the Minnesota Department of Labor, and who have one or more employees carry workers' compensation insurance. Please refer to Minnesota State Statute 176.215.

Note: Although the law may allow certain individuals to exempt themselves from carrying workers' compensation coverage, The Builders Group requires all subcontractors and labor to furnish certificates of workers' compensation insurance coverage. The Builders Group members will be charged for them as outlined above.

I hereby acknowledge, have read, and understand the information in this document. My agent explained and I further understand that it is my sole responsibility to inform my accountant and/or person responsible for completing and paying my monthly reporting and billing statement and premium audit of this requirement.
