

SELF-INSURED FUND

WE MAKE WORKERS' COMP WORK

TBG is the trusted work comp provider for member contractors, builders, remodelers, subcontractors, and suppliers who are seeking the most practical and cost-effective solutions for workers' compensation. We're the #1 self-insured construction workers' comp fund in Minnesota and dedicated solely to our Members' needs.

We are a group self-insured fund dedicated to injury prevention, customized safety training, and stewardship of our industry's future by investing in a new generation of construction workers. TBG helps keep your workers injury-free and arriving home safe each day.

Our financial health and well-being have reached unprecedented heights since 1997. From \$450,000 in annual premiums in 1997 to nearly \$50 million in 2023, our growth trajectory speaks volumes. Positioned strongly for the future, we're equipped to tackle any challenges that come our way. Since the day our fund began, we have never assessed our Members, and we are actively paying dividends, providing something you rarely see from traditional workers' comp providers - a financial return on investment.
