

ARE YOUR CLIENTS TRAVELING WITH THE RIGHT PROTECTION?

WE MAKE
WORKERS' COMP WORK

When your Minnesota-based clients take on projects beyond state borders, TBG's Cross Border Coverage keeps them protected. It eliminates the risk of exposure in other states, so there's no need to dive into the assigned risk pool or leave the trusted coverage and service they rely on. We keep your clients covered, wherever the job takes them.

Built by the construction industry, for the construction industry, TBG partners with a select group of independent agents who truly understand the trades. Together, we make workers' comp work, providing the right coverage, expert support, and peace of mind across every jobsite.

"As soon as I heard TBG offered coverage in states outside of Minnesota, I dropped my work comp provider and became a Member of TBG."
